**GOVERNMENT'S REQUEST FOR LEAVE TO FILE SENTENCING MEMORANDUM  
IN EXCESS OF TWENTY PAGES**

Pursuant to Local Rule 7.1(B)(4), the government requests leave of the Court to file its Supplemental Sentencing Memorandum, in excess of twenty (20) pages. In support of the request, the government states the issues presented in this sentencing are unusual and complex. In order to file a meaningful memorandum which might reasonably assist the Court, the government requests leave to file in excess of twenty (20) pages.
